

SignLive in Southampton – Transcript

Steph: Hello, my name is Steph and I'm from SignLive.

Claire: Hi, I'm Claire, Creative Director of BSL Celebration.

Steph: Lovely. We're here in Southampton and we have great news to share with you. What is it?

Claire: Soon, in April, there will be a BSL Fest™ here in Southampton with many events over 5 days.

Steph: Wow! What is happening?

Claire: Really, we want to reach out to the local community to come and see BSL to accept and value BSL so that in the future deaf people can take part and are included in mainstream events.

Steph: Right! Likewise, SignLive is excited to support this event because we believe that BSL should be celebrated at every opportunity as the language of deaf people brings inclusive and accessible communication. So, good luck with the event and SignLive is excited to see BSL Celebration grow and grow.

Claire: Thank you, really BSL is beautiful. A big thank you to SignLive for sponsoring BSL Celebration. We can't operate without money and need funds so we can continue our work. Thank you for working with us.

Steph: That's ok. Same here, SignLive is pleased we are working together.
